# CERDANYA

---

Surrounded by tranquility and incomparable natural beauty, Cerdanya is an ideal setting for meetings and corporate events. Its strategic location – just two hours from Barcelona, one hour from Andorra and close to the French border – combines easy access with an inspiring landscape that sparks creativity and collaboration.

By choosing Cerdanya for your corporate activities, you are prioritising inspiration and well-being in a destination that offers high-quality services and a wealth of opportunities to grow.

# 10 reasons to visit Cerdanya

## 1. Strategic location and easy access

Cerdanya is easily accessible from major cities like Barcelona as well as the south of France, reducing travel time and making it possible to organise all types of events.

The region also boasts an efficient transport network, with road and rail connections, in addition to private transfer services that can be adapted to the needs of each group. This accessibility, combined with an inspiring natural setting, makes Cerdanya perfect for event managers and organisers seeking a balance

## 2. A natural setting to inspire and stimulate

Surrounded by mountains and valleys, Cerdanya offers a natural environment that stimulates creativity and inspiration – key factors in the success of corporate events. This direct connection with nature is a distinctive asset, providing an immersive experience that enhances participants' motivation and engagement. Impressive panoramic views and the richness of local biodiversity create a unique atmosphere, promoting well-being and encouraging more fluid and positive interaction among teams.

creen una atmosfera única, que afavoreix el benestar i facilita una interacció més fluida i positiva entre els equips.

## 3. A wide range of activities for companies

Cerdanya aims to be a leading destination for activities. From hiking to adventure sports such as horse riding and mountain biking, each activity is designed to foster team cohesion and collaboration. With options adaptable to different levels, these experiences enhance communication and problem-solving in a natural, inspiring environment for teams.

## 4. Modern infrastructure for business events

Cerdanya offers a high-quality infrastructure, ideal for hosting corporate events. Boutique hotels, convention centres and flexible venues provide the ideal setting for everything from large-scale conferences to more specialised meetings. In addition, many of these spaces are equipped with advanced technology and high-speed connectivity, essential for hybrid events and for ensuring efficient communication in today's business environment.

## 5. A diverse and adaptable range of accommodation

From premium accommodation to more affordable options, Cerdanya offers a wide range

of places to stay to suit any budget. This allows organisers to create customised packages tailored to each client's needs. The region also features sustainable hotels and accommodation options that appeal to companies committed to environmental responsibility, adding further value to the destination.

## 6. Benefits for health and well-being

Cerdanya is a region renowned for its mild climate, natural light and clean air, ideal for rest, recovery and relaxation. The calm and peaceful surroundings help reduce stress, enhancing both the physical and mental well-being of participants.

In addition, local wellness centres and spas offer the opportunity to complement any event with relaxation activities, yoga and meditation, promoting a healthy balance between productivity and well-being.

## 7. Unique local dining experiences

Cerdanya's gastronomy provides the perfect opportunity to create culinary experiences that strengthen team bonding and a sense of belonging.

Participants can enjoy local produce such as artisanal cheeses and cured meats, as well as take part in cooking workshops led by regional chefs. These experiences not only delight the palate but also foster a strong sense of community and collaboration.

## 8. Commitment to sustainability and responsible tourism

**Turisme Cerdanya is accredited with the Biosphere certification and is part of the European Charter for Sustainable Tourism (CETS) for the Cadí-Moixeró Natural Park.**

Cerdanya is a region firmly committed to sustainable tourism, aligning closely with the values of many modern businesses. This environmental awareness allows organisers

to create events that reflect a genuine commitment to sustainability. Sustainability is an aspect that also enhances the image of any event, attracting companies keen to reduce their environmental footprint.

## 9. Versatility for different types of events

Cerdanya is versatile enough to accommodate a wide range of event formats, from conferences and planning meetings to recreational team-building activities. This adaptability makes it possible to tailor every aspect of an event, from logistics to leisure activities, ensuring a truly unique experience.

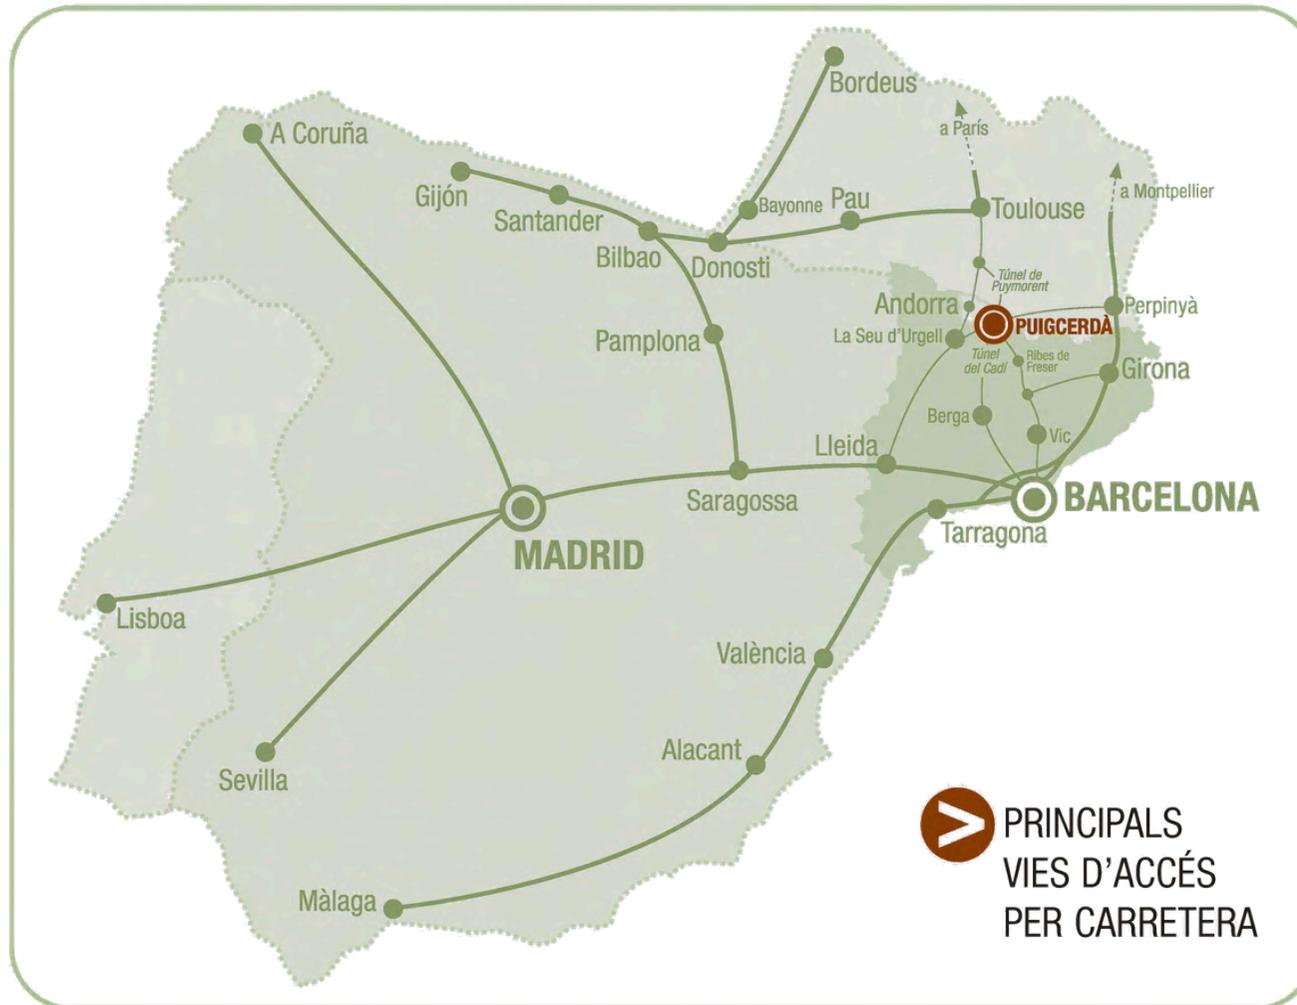

The region is equally well suited to one-day events and longer stays, expanding the range of possibilities for organisers and companies alike.

## 10. Outstanding value for money

Compared with urban destinations, Cerdanya offers excellent value for money. Organisers can take advantage of attractive packages that strike the right balance between affordability and high-quality services.

Combined with the exclusivity and positive impact of experiences set in a natural environment, this makes Cerdanya a

# Wild & Chic Pyrenees

Wild & Chic Pyrenees is a premium destination management agency specialising in transformative, luxury escapes in the Pyrenees. We design tailor-made experiences for companies, groups and executives seeking disconnection, inspiration and well-being. Offering a fully turnkey service, we manage every stage of the process – from accommodation in distinctive venues to exclusive nature, wellness, gastronomic and adventure activities.

Our proposals combine emotion and awareness, from horse-based rituals and intuitive archery to thermal canyoning, always with experiences that are sustainable and respectful of the environment.

Wild & Chic Pyrenees works in line with international sustainability standards (GSTC and Biosphere), ensuring a positive impact and a responsible experience. We create unique environments where teams grow stronger, ideas flow and people reconnect – with themselves and with nature.

# Activitats Cerdanya

Activitats Cerdanya specialises in corporate programmes set in natural environments, supported by a team of qualified guides and group activity facilitators.

The company designs experiences that combine the excitement of adventure with team development, creating unique experiences that connect, inspire and strengthen professional bonds.

Its MICE programmes focus on:

- Team building: fostering cohesion and trust through shared challenges.
- Communication and leadership: activities that test collaboration and decision-making.
- Motivation and well-being: natural settings that encourage disconnection and creativity.

Each activity is tailor-made according to the company's strategic objectives and the profile of participants. From cooperative dynamics to adventure challenges and personal development experiences, every proposal is adapted to be both enriching and memorable.

The team takes care of all logistics and safety, allowing participants to focus on what truly matters: experiencing the process of transformation.

You enjoy the experience – they take care of the rest. Their goal is clear: for your team to emerge stronger, more cohesive and more motivated after the experience.
